

**EUROPEAN SHORTHAIR
(EU)**

HEAD: 30 points
BODY: 30 points
COAT: 35 points
Color/Pattern20
Texture.....15

CONDITION: 5 points

CATEGORY: Traditional
DIVISION: All
COLOR: All

HEAD:

Shape: Fairly Large. The face gives the impression of being rounded but is a little longer than it broad. Forehead and skull slightly rounded. Well developed cheeks.

Nose: Straight, of medium length and uniformly broad throughout its length. The transition between the nose and the forehead is marked by a shallow indentation between the eyes.

Chin: Firm

Ears: Medium in size, slightly rounded at the tips and may be tufted. The height of the ears corresponds to the width of the base. Set well apart and fairly upright.

Eyes: Rounded and open. Widely separated and set slightly oblique. Clear and pure color, Green, amber, blue, odd eyed (one blue and one amber)

Neck: Medium long and muscular.

BODY:

Torso: Medium long and muscular. Robust and strong, not cobby. Chest round and well developed.

Legs and feet: Strong and sturdy, medium long and narrowing steadily into firm round feet.

Tail: Medium long, rather thick at the base, tapers gradually to a rounded tip.

COAT:

Structure: Short and dense, springy and glossy.

Colour: Colour varieties as a result from cross breeding with other breeds are not permitted.

PENALIZE:

Hanging jowl pouches
Definite stop of the nose

WITHHOLD ALL AWARDS (WW):

Too cobby
Too slender
Long or woolly coat
Any appearance of cross breeding.
