**DIVISION:** All

**COLOUR:** All

### HEAD:

Shape: Medium sized rounded with good breadth between the ears

Cheeks: Well developed

Nose: Nose has a slight indentation at the base

Chin: Strong

Whiskers: Shorter than usual, curly

Ears: Medium large, wide at the base, slightly rounded at the tips. Outside well covered with fine hair, inside slightly covered.

Eyes: Medium in size and well opened; set at a good distance from the nose, beginning at the outer rather than the inner edge of the nose outline. Brilliant color harmonising with the coat colour.

### BODY:

Torso: Of medium length, strong and muscular, but not massive or coarse. In profile the chest is strong and rounded. Back is straight from the shoulders to the rump.

Legs and Feet: Medium long legs and rather fine with well developed rounded feet.

Tail: Medium long, from a substantial base tapering to a rounded tip; well covered with fur.

### COAT:

Texture: Short and velvety, soft and very silky. Density varies from a thin and soft to a thick upper-coat. Wavy, without guard-hairs - characteristic for this breed.

Colour: All varieties and patterns are recognised, including those with white. Any amount of white is permitted.
